## ABOUT ITEC

Established in Dubai by Ibrahim Abumezied with unlimited floors in building construction according to Dubai Municipality classification, ITEC is found to raise the bar in construction expertise and excellence in the Middle East.

Innovative techniques, iconic designs, intricate details and high-quality finishing are all part of the ITEC hallmark. Therefore, we focus on the iconic projects and most dynamic challenges, for imaginative and ambitious clients.

ITEC helps our customers to deliver projects of purpose that create a lasting positive legacy. These are projects that create jobs and grow economies; improve the resiliency of the world's infrastructure; connect communities to resources and opportunity and get us closer to net zero

"Move forward. Good things  
are up ahead."

# MISSION AND VISION

The core value of our company that contribute to this project.

## MISSION

ITEC serves its clients at the highest level of satisfaction, providing the most appropriate and desired solutions, with the best quality, without overlooking ethical values the company relies on

## VISION

ITEC aims to become a global player in the sector, signing under the prestigious projects for tomorrow's world of business, harmonizing innovative and progressive technology with its experience, excellence and high-caliber work

itec

ITEC Profile

## CEO MESSAGE

As a valuable partner for our clients, ITEC Construction, offers value-added construction services to customers within MENA region, by crafting a mutually rewarding relationship that endows the highest level of quality in construction services at fair and market competitive rates.

Our long-standing experience with the construction leaders, openness to future developments and dedication to infrastructure planning as well as micro/macro development, we intend to hold more diversity to embrace repairing and restoring residential and commercial buildings.

In all we do, we will, as a team, always be dedicated to providing exceptional and professional approach to constructing exceptional quality projects which meet budget and schedule goals.

Ibrahim Abumezied

CEO

[WWW.ITECUAE.AE](http://WWW.ITECUAE.AE)

The diversity of the contract types, expertise and flexibility by ITEC construction allows our valued customers to decide the economic strategy and to set the growth path of their projects.

- Turnkey construction projects
- EPC contract projects
- Design- built projects
- Fit out
- Renovation&Maintenance

# WHAT WE DO

[www.itecuae.ae](http://www.itecuae.ae)

## RENOVATION AND MAINTENANCE

At ITEC, we specialize in both residential and commercial projects. Our team of skilled craftsmen and designers are dedicated to creating spaces that are functional, beautiful, and tailored to the unique needs of each customer satisfaction. we are the go-to choose for all of your renovation needs.

## TURNKEY CONSTRUCTION PROJECTS

Fully equipped team of ITEC construction leads the customer to a way of earning great economic returns from the know-how required to assemble and run a technologically complex process

## EPC CONTRACT PROJECTS

ITEC construction allows in its policy the implementation of EPC contract types as one of the comfortable ways to meet the customer satisfaction, we owe the single point of responsibility, we fix the contract price and time and we provide the performance guarantee with defects liability

## DESIGN- BUILT PROJECTS

For earlier project completion, potential of cost saving and reduced claim exposure, ITEC construction maintains design-built contracts with its customers to produce efficiently a buildable design aligns with the client requirements.

## FITOUT

ITEC construction allows in its policy the implementation of EPC contract types as one of the comfortable ways to meet the customer satisfaction, we owe the single point of responsibility, we fix the contract price and time and we provide the performance guarantee with defects liability

## QHSE POLICY

### QHSE Policy

ITEC FOR BUILDING CONTRACTING CO. L.L.C shall commit and ensure Quality of its services, Health & Safety of its Employees, Clients, Visitors and the community at large and protect the physical environment in which the ITEC FOR BUILDING CONTRACTING CO. L.L.C's associated business activities are carried out.

The Management and Staff of ITEC FOR BUILDING CONTRACTING CO. L.L.C shall:

- Ensure that our products and services meet the needs and expectations of our clients in terms of quality;
- Develop and implement an Integrated Management System conforming to ISO 9001:2015, ISO 14001:2015 & ISO 45001:2018;
- Ensure the availability of personal, financial and human resources necessary to mitigate the adverse impact of its operations on HSE;
- Undertake reviews to measure QHSE performance against identified objectives and targets and continually improve the system;
- Ensuring the safety and welfare of our staff and the protection of our assets;
- Comply with or exceed all relevant Quality, Environmental, Health & Safety legal laws, regulations and other requirements;
- Identify the hazards in the production facility, assess the risks and manage those risks in order to reduce adverse impact on HSE;
- Periodically review the suitability, adequacy and effectiveness of the (QHSE) management system;
- Make every effort to protect the environment and prevent pollution, minimize consumption of materials, promote reuse and recycling of wastes and adopt best practice on waste management;
- Strive to achieve continual improvement of the QHSE management system and related performance;
- Prevent accidents and cases of work-related ill-health;
- Provide appropriate training to employees where applicable;
- Ensure that the company's QHSE Policy is well communicated to all quarters concerned;
- Commitment to consultation & participation of workers
